#### **By Car**

Coming from Frankfurt and the North:

Follow the motorway "A5" southbound, take the exit at "Autobahnkreuz Heidelberg" towards Heidelberg. After 500 metres, take the next turn-off "Heidelberg-Wieblingen". Turn right at the bottom of the road, go straight on and turn right again just before the bridge, following the white sign post to "Industriegebiet Wieblingen" and crossing the motorway bridge. At the traffic lights turn left (again following the white sign post to "Industriegebiet Wieblingen"). Continue on this road for approx. 1 km, crossing the traffic lights. Directly after a big petrol station at the corner, turn right into "Grenzhöfer Weg". You will find Lamy about 400 metres down the road on your left.

Coming from the South:

Follow the motorway "A5" northbound, take the exit at "Autobahnkreuz Heidelberg" and follow the directions as above.

Please note: enter 'Heidelberg-Wieblingen' as destination city into your car navigation system.
